FOR ATTENDEES WHO REQUIRE APPROVAL TO REGISTER:

- Register online and then select "Check" as your payment method when checking out.
- In the "Check Number" box, please enter "TBD" if you do not know it.
- This will create a balance due or "pending payment" for your registration costs. The balance due will remain on your account until you have the necessary approval on your end. You will also receive a registration confirmation email showing the balance due that can be used as an invoice, if needed.
- Once you have the necessary approval on your end, please complete the necessary check payment instructions above.
- If you are paying by credit card instead of check, please go back into your registration and update your payment method to "Credit Card" and complete the checkout process.

Once you have a balance due or "pending payment" on your account, our registration team will follow up with an official invoice and payment reminders until the check is received or credit card payment has been made.

BOOKING YOUR ROOM:
Housing is now integrated within the registration process for the conference. You must complete your registration through one of the steps above to book your sleeping room. You can still book your housing even if checking out with a balance due or "pending payment" on your account. For a full list of housing policies, please visit www.gobrownfields.org/register.
